

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is now associated with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning equipment which are recognized in the industry as durable and strong machines which meets the needs of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These types of scrubbers are obtainable in the market under the brand name "Encore". American Lincoln has the ability to supply machines, components and warranty service for these kinds of scrubbers which carry both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like for example Wal-Mart and Target. The 7765 line has earned the respect of various facility supervisors where results and efficiency count. Lately, this floor scrubber model has been requested by the architects in new construction jobs like Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on site because of the model's high standard of quality and utmost performance level for polishing concrete.
