

Trek Parts

Trek Parts - TREK Cleaning Machines is a maker of cleaning machines. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have over sixty years of experience successfully marketing, manufacturing, designing, developing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are devoted to giving new design concepts and top quality to be able to meet the diverse requirements of their customers.

TREK Cleaning Machines always offers fresh design ideas as proven in their product development. They like providing products which energize both their dealers and their partners and offer production gains to their customers.

The TREK team of staff enjoys new challenges and new tasks. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' needs and skills together with their comprehension of cleaning applications, together with owners' strong desire to significantly reduce expense through productivity gains.

When needed, the personnel within TREK and its various dealer members in both parts and in technical support would be accessible. Amongst their core values is their high service devotion in their customer service. Keeping their customers' cleaning machinery ready and working day by day is top priority. The company's top of the line technology delivers reliable machine which ultimately lowers your cleaning expense. The product, the price and the service all work as one so as to make them an industry leader.
