

Ingersoll Rand Forklift Part

Ingersoll Rand Forklift Parts - Ingersoll Rand offers products, solutions and services in order to increase the productivity and ensure efficiency in commercial, residential and industrial environments. They pride themselves in delivering products to be able to improve the safety, comfort, security and health of people all around the globe throughout their four worldwide segments.

The Climate Solutions sector delivers a world-class product line of energy efficient HVACR solutions for clients. Thermo King is the leader in transport temperature control, while Hussmann is a manufacturer of food merchandising and refrigeration solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, contracting and building advanced controls, services and parts support for both commercial buildings and residential homes.

The Industrial Technologies sector of Ingersoll Rand provides products and solutions to enhance energy efficiency, productivity and operations for their customers. The series of products in their line consist of: pumps and tools, and material fluid handling systems to complete compressed air systems. They have likewise developed Club Car, the international leader in golf and utility vehicles for companies and individuals.

Well-known trade names such as Trane and Schlage compromise the Residential Solutions business, delivering comfort, safety and efficiency to home owners all over North America. Some of their innovative quality products comprise mechanical and electronic locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

Ingersoll Rand' Security technologies offer products which ensure productive, secure and safe environments. This division's market leading products consist of door and floor closers, portable security devices, exit devices, electronic and biometric access control systems, cabinet hardware, steel locks, doors and frames, decorative hardware and locksets. Popular trade names like for instance Schlage even provide time, attendance and personal scheduling systems.
